Dr. Janice Hoffman, Pharm.D.,CGP,FASCP
In Partnership with S+AGE®
and Western University of Health Sciences College of Pharmacy

FRIDAY FEBRUARY 6, 2015

– by appointment only (see below) –

for a

“Brown Bag Medication Review”

What is this and why should I come?

In a Brown Bag, Box or other - Bring your medications prescription and over the counter vitamins and supplements to have Dr. Hoffman and her team review them using a computerized risk assessment and alert process that will identify possible harmful drug interactions among the assorted medications as well as supplements you may be taking. This analysis can determine risk factors and potential harm among medications which can cause serious side effects.

This is a free and confidential service provided in partnership with S+AGE® and ONEgeneration.

Please call to set up a time – screenings are one-on-one, confidential, and taken by appointment only. Each screening will take about half an hour. You will be given a print out of the report for you to share with your physician.

Appointment times are at ½ hour intervals starting at 9:30am to 12:00Noon.
Please call Jennifer at 818-708-4756 to schedule an appointment.
